

YOU HAVE CERTAIN CHOICES ABOUT HOW WE USE YOUR INFORMATION.

You can opt out of receiving our marketing emails. To stop receiving our promotional emails, contact@uterque.com or follow the instructions in any promotional message you get from us. Even if you opt out of getting marketing messages, we will still send you transactional messages. These include responses to your questions.

You can control cookies and tracking tools. Your browser may give you the ability to control cookies or other tracking tools. How you do so depends on the type of tool. Certain browsers can be set to reject browser cookies. Some of the cookies we use may be flash cookies or Adobe cookies. They may contain demographic information and depending on your browser these cookies may not normally be deleted when your cookies are deleted. Please check your browser to determine where these types of cookies are stored and how they may be deleted.

Interest Based Advertising: We may use advertisers, third party ad networks, and other advertising companies, to serve advertisements on our Platforms and on third-party websites. Please be advised that such advertising companies may gather information about your visit to our Platforms (such as through cookies, web beacons and other technologies) to enable such advertising companies to market products or services to you, to monitor which ads have been served to your browser and which web pages you were viewing when such ads were delivered. If you would like more information about this practice, would like to know your choices or opt out, please visit <http://www.aboutads.info/choices> or http://www.networkadvertising.org/managing/opt_out.asp. PLEASE NOTE THAT THIS POLICY DOES NOT COVER THE COLLECTION AND USE OF INFORMATION BY SUCH ADVERTISING COMPANIES.

Our Do Not Track Policy: Some browsers have “do not track” features that allow you to tell a website not to track you. These features are not all uniform. We do not currently respond to those signals. If you block cookies, certain features on our sites may not work. If you block or reject cookies, not all of the tracking described here will stop.

You can control tools on your mobile devices. For example, you can turn off the GPS locator or push notifications in your phone settings.

Options you select are browser and device specific.
